Children’s Ministries Safeguards of Care:

Children’s ministries observe the “safe and secure” rule. All workers are serving the Lord and his children through their respective ministries, and no inappropriate words, gestures, or physical contact with children is permitted. Corporal punishment (physical forms of discipline), harsh words, or threats are not to be used. Please consult the ministry director with specific discipline questions. Any behavior which seems abusive or inappropriate, should be reported to the ministry director.

New workers or volunteers will not be allowed to interact with minors until after a 3 month waiting period has passed.

All workers or volunteers will have their names submitted to the State Police agency for a criminal background check. If a background check reveals a prior sexual misconduct related offense, that person will be **permanently** ineligible to be involved in the care, supervision and/or the teaching of minors.

No minor is to be alone with one non-related adult on the church’s premises or in any sponsored activity unless in a counseling situation.

As a volunteer with children or youth, do you understand and agree to observe the safeguards of care noted on this form? Yes No

Have you ever been convicted of child sexual or physical abuse? Yes No
