Global Outreach Prayer Update

Enfoque de Misiones

The Everetts - ABWE International
GAP Ministries - Salem, Oregon

We have had many opportunities, especially recently, to share about our new role and ministry focus. It's encouraging when we are explaining what we do, and the light in our listener's eyes gets brighter, their eyebrows raise, and they track with us as we give them details to help them understand. What we are doing is not easy to explain in one sentence. In a nutshell, **GAP with ABWE**, is partnering with ministry workers in their own countries; people who are already doing ministry. We are serving them by finding out their needs for reaching further with the gospel. We are serving them by helping where we personally can and by connecting them with others or churches in the US who have what that ministry partner might need.

INTERNATIONAL

We're excited to be co-leading the trip to Brasil with Bethany. We'll be fully engaged with Brazilians as we build relationships through common activities such as Upward Flag Football, English classes, and working together in construction. The trip will be from June 18, and we'll arrive back in the states on June 29th. We anticipate many opportunities to plant seeds of the gospel and leave the watering to ABWE missionaries David and Sarah Carrel and their team of national believers in Arcoverde, Pernambuco, Brasil.
